

TBB C4	
Outer Dimensions	116 x 80 x 37 mm
Screen Dimensions	95.04 x 53.86 (4.3" screen)
Display Resolution	480 x 272 pixels
Luminance	400cd/m2
Operating Current	100mA (average)
Operating Humidity	10%~80%RH
Operating Temperature	-20°C~70°C
Aspect Ratio	16:9
Touch Points	5-point touch
Operating Voltage	12V
Backlight Mode	LED
Weight	180g
IP Rating	IP21
Certificate	CE

THE TBB + FUTURE SOLUTIONS ADVANTAGE

Future Solutions is proud to feature TBB Power Mobile's advanced energy products as part of our tailored power solutions. Our exclusive relationship allows us to offer their innovative products – from energy generation to intelligent monitoring – ensuring optimized performance, efficient integration, reduced long-term costs, and reliable power designed for your unique requirements.
